# **Start Making A Difference TODAY?**

#### [[firstname]],

I want to start by thanking you for taking the time to check out our offer! As you probably already know, we're is doing this as part of a Charity Campaign.

Truth be told, we're not trying to save the world. We're just as aware as you are that this is – if not impossible – at least pretty hard to accomplish. However, we don't have to try and change the world – to make a difference. We can make a difference to just one person – and it's going to make *all the difference in the world* to that person! And today, you're the 'person of the day'; because today **YOUR** ca help us make that difference!

#### "So, what's in it for me?"

[[firstname]], we will not ask you to donate money without getting anything in return. We're giving you the opportunity to **four of today's top-selling magic guides available on the internet**. Think of it as an investment: you get the chance to buy one of the packages listed in the offer below – and we'll donate the money **on your behalf!** 

The charity we've picket for channeling our donations is the Action Against Hunger humanitarian organization. Action Against Hunger / Action Contre la Faim (ACF) is an international network committed to saving the lives of malnourished children and families while ensuring access to safe water and sustainable solutions to hunger.

But if you're anything like me, you probably think to yourself – "oh, those poor little people; I wish I could help; but I just can't **right now**; I'd love to donate something, but *maybe some other time*". Yes, we all do this, [[firstname]]. But guess what? **Today is the day you get to actually <u>do</u> something** for those people. And not because I'm telling you it's the right thing to do. But because you know that deep down inside, you always wanted to help them – and because this time, **it is just as easy as you always wished it to be!** 

There's someone out there who's life will be dramatically improved <u>thanks to you!</u> Together we can **make that happen!** Although it may not seem such a big deal to you, for *them* it's the opportunity of a lifetime – the chance to **a new beginning!**
