Dog deodorizers and cleaners

100% safe dog deodorizers and cleaners

Of course YOU don't mind the doggie smell in your home! But do your guests ever complain about it? If they do (or you think they might be annoyed by it, but not say anything to you), then consider using some dog deodorizers and cleaners. They are specially created for dogs, so that they have no side effects or cause any allergies to your canine friend. 100% safe for your dog, and 100% safe for you, your home, kids and guests. Have your dog or puppy smell (and feel) clean as a whistle!

Search the products below and you can order them online in just a few easy steps, and we'll have them delivered to you in no time!

Dog grooming

A variety of dog grooming accessories, for your pet's well being

Make your dog look like and feel like royalty! Get him special accessories for dog grooming, and keep his fur neat and healthy. You can do this once or twice a week and it will surely be an activity you and your dog will love! It's quality time spent together, and also a good way to keep your Mr. or Miss Bark-a-Lot in his or her best shape – and at the same time, keep their fur off your carpet, clothes and bed sheets.

Check out our dog grooming products below. You can get them fast, and easy: just pick the ones you want, place your online order, and we will have them delivered to your home, faster than your dog can say "Woof-woof!"

Dog toys

Dog toys: let the fun begin!

Your dog will find a lot of 'toys' around your house to play with... But consider getting him special dog toys, as these are made of dog-safe materials (non toxic materials) and they're designed to be chewing-proof. They're also the appropriate size for your dog too! Your pet and you will enjoy these dog toys more than the ones laying around your home, as they are specially designed to encourage exercises and NOT be boring. With these dog toys, your pet will be as happy ... as a dog with two tails!

If you think you have no time to shop for dog toys for your pet, worry no more: take a look at the dog toys below, order them online, and we'll send them directly to your home, fast!

Dog travel

Specially designed dog travel accessories

Don't abandon your dog when you travel! Take him along, as it will turn out to be a challenging and fun experience for the both of you! But please, don't forget his special dog travel equipment: it will keep you from cleaning any mess your dog might 'accidentally' cause in your car, and at the same time not compromise on his comfort. The trip will be all the more fun, clean and safe - for you, as well as for your dog.

On top of this, there's no need to waste any time going to a pet shop to get your dog travel accessories: take a look at the products featured below, and order them online; we'll have them at your doorstep in no time!

Cat bowls and feeders

Special cat bowl and feeders

Your refined little kitty will never eat from the floor... unless forced! She/he will much rather eat from your plate, from lack of a plate all of her/his own! So make sure to get your fluffy little friend a special cat bowl or feeder. That should keep your kitty away from your plate... at least until she decides your food is better than hers!

Go through the cat bowls and feeders below and pick the most appropriate one for your purrrrr-ing friend. You can order it online, and have it delivered directly to your home!

Collars and Leashes

Stylish cat collars and leashes

Worried about your cat when he or she goes out to play? There's a simple way of solving this: get your pet a special cat collar, so that everyone will know he/she has an owner. You can choose from a variety of cat collars, depending on what you want it to do: anti-flea collars, collars that reflect light, cat collars with a little bell (so you can easily trace your pet), and the list can go on.

Take a look at the collars and leashes below, and pick the one that best suites you - and your cat. Order them online, and we'll have them at your doorstep in no time!

Cat treats

Cat treats for you to reward your furry friend

Everyone enjoys getting a special treat every once in a while and so does your cat! Reward your pet for what he or she does: like after taking medicine, or a bath or any other treats they may not enjoy so much. And you can even get your cat special treats for dental health or digestion, and many more.

Spoiling your furry friends with cat treats will make them grow more attached to you... and maybe one day they will even stop waking you up in the middle of the night, to accompany them to an 'early breakfast.'

Browse for cat treats below and place an online order; we will process it and have it delivered to your doorstep faster than your cat can say "purr"!
